

OPPORTUNITY FOR YOUNG
FILMMAKERS IN HACKNEY

**ARE YOU AN ASPIRING
FILMMAKER?**

**ARE YOU AGED BETWEEN
16-25?**

**DO YOU LIVE OR STUDY IN
HACKNEY?**

A film crew is filming a woman in a park. The woman is standing on a wooden log structure, looking towards the camera. A man in a dark shirt and headphones is operating a camera on a tripod. Another man in a white shirt is standing to the right. The background shows a brick building and trees.

Blueprint Film Foundation have an exciting opportunity for young, aspiring filmmakers to work with our team of professional filmmakers to make a documentary about Hackney residents.

THE DOCUMENTARY

THE DOCUMENTARY WILL EXPLORE: "WHAT ARE THE CULTURAL INFLUENCES ON YOUNG PEOPLE'S HEALTH AND WELLBEING?"

Cultural Influences could include: family life, social circles, mass media, social media and more.

We want our young filmmakers to plan, design and shoot a documentary to bring this subject to life and to make it vibrant, relevant and exciting. We will be shooting in schools, youth centres, domestic spaces and more, to gather footage. Full support will be given to the filmmakers throughout.

The final film will be screened to audiences across Hackney and used as an educational tool for schools and youth centres for the future. So it'll look great on your CV!
